

06 January 2022

Parents and Carers,

As a part of your child's education at Wolsingham Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, this term your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. I have attached a booklet providing information for parents about the content of the RSE curriculum for each year group.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website: <http://www.wolsingham-pri.durham.sch.uk/our-curriculum/curriculum-content/phse-and-sre/> for more detail about our PSHE curriculum, our RSE policy and RSE curriculum overview for parents detailing the objectives taught in each year group. All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

If you would like to find out more or discuss any concerns, we would urge you to contact your child's class teacher.

Yours sincerely,

S. Kitching
