Year 5/6 Residential Visit to Kingswood

The Year 5 and 6 children who went to Kingswood last weekend thoroughly enjoyed their orienteering, climbing, archery and raft building activities. It was good to see them being pushed out of their comfort zone and rising to the challenges set before them. As always our children were extremely well behaved and polite and a real credit to their families. A memento DVD of the photographs from the visit is on its way and will be available to order next week using the link to the online form below. DVDs will cost £2.50, payable via Parentpay next week and all proceeds will go towards school fund.

Year 2 SATs

Well done to our Year 2 children who have worked hard to complete their 'special booklets' this week. They have all worked very hard to show Mrs Wilkinson what they can do. They have had a fun afternoon this afternoon to celebrate.

2022 Leek Show

This year rather than the children entering leeks into Wolsingham Show, we have decided to hold our own Leek Show. Mrs Routledge has kindly donated leeks to the school for children to grow on over the summer. If your child would like to have a go at growing a leek and then entering it into our competition in September (limited number available on a first come first served basis), please complete the online form using the link below. We will let you know in September when the children will need to prepare their leeks for the show and bring them into school. (Year 6 pupils can still enter, we will let parents know when they need to bring their leeks to the school for judging.) Please note – Mrs Routledge would be grateful if the black pots that they are being grown in can be returned to school as soon as the leeks have been re-potted.
