## Class 2 Kurling and Boccia Festival

Everyone in Class 2 had a great time at the Kurling and Boccia Festival at Wolsingham School earlier this week. Each team worked hard together to get as many points as they could and did a marvellous job. They behaved beautifully and were a credit to our school.

## Wolsingham Primary Leek Show

A huge well done to all of our entrants into our Leek Show, they all did a superb job of growing their leeks. All entrants received a small prize and the winners received a rosette. Thank you to Mrs Routledge and Mrs Rowell for judging the entries.

## Homework Books and Reading Books

We would like to take this opportunity once again to remind parents that it is very important that all children complete their homework and return their book to school by Wednesday of the following week. Reading books should be sent into school with your child every day. Class teachers are having to spend an excessive amount of time chasing up homework and reading books.

## Class 1 Maths Workshop for Parents

A big thank you to all of those parents who attended the Class 1 Maths Workshop. Hopefully you found the session useful and have gain knowledge and understanding about how to best help your child develop their early maths skills at home.

## Data Collection Sheets

On Monday 26<sup>th</sup> September, we sent out our data collections sheets. If you have not already done so, please return the sheet to school by **Friday 7<sup>th</sup> October**. Please also return any sheets where no amendments are required with 'No amendments' written at the top of the sheet.
