Class 6 Visit to Killhope

Class 6 visited Killhope Lead Mining Museum this week as part of their study of local history and geography. They went underground into the mine to experience what the working conditions would have been like. They found out about the underground water wheel, experienced absolute darkness and heard a fascinating story about a miner who survived, after being trapped underground for days. They also had a go at the jobs that Victorian children would have experienced on the washing floor. Finally, they completed a nature-themed print making workshop. A great time was had by all!

School Crossing Patrol - Uppertown

We would like to take this opportunity to inform you that the school does not employ or organise the school crossing patrol. This is a service organised and provided by Durham County Council. I believe that they are in the process of recruiting a member of staff to fill the currently vacant post.

Class 6 Assembly

Class 6's assembly will take place on **Thursday 13th October at 10.30am**. Parents/carers of children in Class 6 are very welcome to join us for the assembly and afterwards for coffee. We'd love to see you there!

Online discussions

From time to time we receive communications from parents who are concerned and upset that their child is being discussed negatively online by other parents for whatever reason. This can cause great anxiety and be very distressing for both the parents and child. We would like to remind parents that it is important to make school aware of any issues that your child is having with other pupils so that we can work to help to resolve them quickly between the children rather than it becoming an issue between adults. Please contact your child's class teacher in the first instance. Thank you for your co-operation in this matter.
