Bird Brain

Quickly swoops down

To catch her prey without a sound
A sharp beak to whisper
Owl kind

Late Late

7 8 o'clock

9 o'clock 10 o'clock

I come out at a certain time

Late Late

Unknown

When she attacks

She doze it in the night

Sneaky you never know always

Scared now

A Poem about books! :)

Respect
The
earth

Good things
Come from reading
educational stuff
read them or else I will find you

Smart books :)

Books suck!
Stop reading them
They are boringly long
They waste your precious time at home

Bad books!

Dinos,
are amazing,
they could be very strong,
and they have tats or feathers,
Goodbye.

Dogs are,
extremely cute,
can be trained quite well,
but sometimes they can be naughty,
Goodbye.

Dunkley

Dunkley is a loving
cat

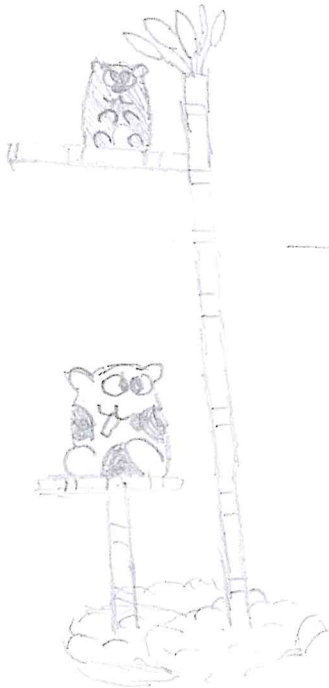

he is cute
and chubby
he is always
happy 😊

Squishes,
soft and sticky,
glittery and gooey,
all the time colorful and cute
awesome!

Monkey,
cheeky prankster,
ate bananas on vines,
chewing stone on rabbits big head,
Haha!

Bamboo,
standing like posts,
Bushes rustle slowly,
soon comes a friendly koala,
furry.

Panda

Sees bamboo when
a koda comes too

They make friends in the bamboo field
Let's eat!

I see
with you in the dark
eyes glowing bright
with you as **black** as the night sky
black car.

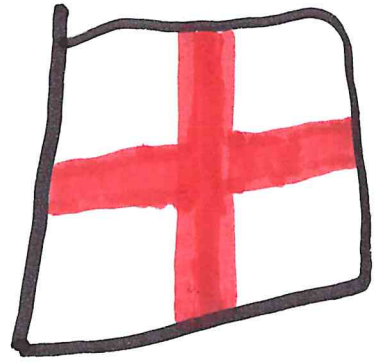

If you
whisper whisper
you will **hear** me
at night if you do be aware
whisper.

Black you
Where are you cat
I am **in** that darkness
behind that rat over there
I am! **by a abriella**
