World Book Day

A huge thank you to everyone who took part in our World Book Day activities. There were so many wonderful costumes and some great entries into our Extreme Reading Competition. Hopefully all of the children are busy reading as much as they can for our sponsored read which will continue throughout the term and end on Thursday 28th March. All of our competition winners received a book and a bar of chocolate.

Cricket Taster Day

Children from Year 1 to Year 6 had the opportunity to take part in a cricket taster session this week. The weather wasn't great but the sessions were enjoyed by all who took part. If your child enjoyed the sessions and would like to join a club outside of school, you can place an expression of interest in the All Stars for 5-8 year olds or Dynamos 8-11 year olds by using the following links.

Mother's Day Gifts

A huge thank you to all of those children who have bought gifts in school this week. We hope that all of our Mums have a lovely Mother's Day and have a chance to put their feet up and relax.

Red Nose Day

On Friday 15th March, the School Council have decided that they would like to invite children to come to school dressed in as much red as possible for a donation of £1 (they should bring this to school on the morning of Friday 15th March in cash). In the afternoon, the School Council will be arranging table top games in the school hall for the children to play and cakes and biscuits will be on sale. Children are invited to bring money in small denominations e.g. 5p, 10p,

20p or 50p coins to take part in this event. We would be grateful if all money could be sent in a small purse or envelope with the child's name on/in it.

Video Chat and Webcams

The following link provides a link to Childnet, providing parents with more information about using video chat and webcams and how they can support their child.

Co-opted Governors

The Governing Body currently has vacancies for Co-opted Governors. These Governors are appointed from members of the local community who do not have children at the school but who have an interest in supporting the school and the community. They should have knowledge, experience and skills in areas such as strategic leadership, accountability, finance and compliance, which would be useful to the strategic running of a school. We would be grateful if you would pass on the information to anyone who might be interested in the role and ask them to contact us.

Easter Egg Decorating Competition

As part of our Easter celebrations, we are holding an Easter egg decorating competition. On **Thursday 28th March**, the children will spend part of the morning in school decorating their eggs in the hope of winning. On **Thursday 28th March**, Key Stage 2 children need to bring enough hardboiled eggs to create their design and any special resources they may need – just a reminder that there not be anything pre-created brought in to use in the final design. Nursery, Reception and Key Stage 1 children will be decorating a picture/outline of an egg, which they will be provided with, and are welcome to bring any special resources they may like to use to create their picture from Monday 25th March. The entries will be judged on Thursday afternoon and a winner and runner up from each class will win a prize and points for their team.
