Top-Up Swimming Lessons This February Half Term

Durham County Council is offering free top-up swimming lessons this February half term for Year 5 and Year 6 pupils who are not yet meeting the National Curriculum swimming and water safety requirements.

Swimming is an essential life skill. Being able to swim confidently, competently and understand water safety can help keep children safe. With County Durham's proximity to rivers, lakes, and the coastline, developing these skills is particularly important. These sessions aim to focus on building confidence, developing swimming skills, and helping pupils work towards the National Curriculum outcomes.
